

AQUATIC IMAGE MAKERS

Established 1999

MEMBERSHIP APPLICATION

A Sacramento/Sierra Foothills Underwater Photography & Videography Organization **Scuba Diving:**

Membership dues were voted on by the membership present during the January 2003 meeting and cost remains the same. It was decided that dues are required to meet club expenses, i.e. periodic mailing costs, support for special events, reduce costs at certain events for members in good standing (dues are current) and purchase of equipment needed to support club presentations and activities. A club member (elected/volunteer) from within the organization acts as Secretary/Treasurer and makes monthly reports to the membership regarding the status of the AIM bank account. Meetings: 2nd Tuesday on odd months. Check Website for details.*

Your membership and active participation in AIM are necessary for its continued success.
